There's an open kitchen/dining/living room with a large island, lots of cupboard and counter space and a new microwave in 2017 and new fridge and dishwasher in 2022. Big bright windows with fresh paint and flooring throughout, completed in 2020. Spacious primary bedroom on the north end with an ensuite and upgraded, oversized shower. Two additional bedrooms on the south end and a full four piece bathroom. There are two entrances on the west side that both open to the front deck plus a big back entryway on the east with the laundry area and lots of room for boots and coats. Siding and shingles were replaced in the spring of 2022, new hot water heater in 2017 and there's a water filtration system from Everything H2O.
